This villa is one of our new designs with straight lines in which we wanted to mix the white of the façade with the effect of stone. The villa has two floors with a beautiful private garden, large terraces and a spacious solarium. In addition, it has a garage that is connected to the house.

Furniture and accessories are included in the price.

The location of these villas is excellent: just a 10-minute walk from one of the most beautiful beaches on the Costa Cálida, and supermarkets and banks.
