These new penthouses are being built in a privileged location near Villamartin in the region of Alicante, Costa Blanca south.

This new project will consist of several apartment buildings that are all south or east oriented. The apartments have 2 or 3 bedrooms, 2 bathrooms, a living and dining room, a large kitchen with cooking island and a separate storage room. Each apartment has its own storage room and parking space in the underground garage.

In this closed residence the gardens will be an oasis of peace with palm trees, flowering plants, flowers and natural grass. The 3 swimming pools (including 1 heated) will be perfectly integrated into the domain.

No hidden extras ... here everything is included !! From underground parking and storage to electric kitchen appliances (fridge / freezer, oven, hob and extractor hood, washing machine, dishwasher and microwave) to full installation air conditioning.

All necessary facilities are available in the vicinity: golf courses, beaches, La Zenia Boulevard with 150 shops, a weekly market, a sports center, ... Alicante airport is 54 km away, Murcia airport 25 km.
